FEATURES

Static: When you make a Basic Attack, roll 1d6. You gain Static equal to the number rolled. If you have not gained or lost Static in the last 1 minute, reset your Static to 0.

Overload: When you gain more than 7 Static, immediately lose all Static, dealing lightning damage to yourself and any creature within 5ft. of you. The damage you deal is equal to the amount of Static spent.

Electrostatic Discharge: Spend 2 Stamina and X Static when you make a Basic Attack. For every 2 Static you spend, the attack deal an extra 1d4 Lightning Damage. If you spent 6 or more Static, increase the damage to 1d6.

Natural Navigator: You unconsciously keep track of your location and know how to retrace your steps without issue. As long as you aren't incapacitated or deprived of all senses and moved, you know your way back to the last place you slept.

A Traveler's Pass time: Gain training in one of the following options dice games, card games, flute, or hand drum.

Animal Features: Pick 2 options from the list below.

Intimidating: Gain +2 on tests to intimidate someone.
